

**PRODUCT RANGE**

**BKI**

*Fresh ideas in foodservice equipment*

## Rotisseries

• Precision-controlled thermostats offer individual temperature control for lower well and upper shelf

DRCTSW-4

• Three-piece rotor system offers easy assembly, and a simple disassembly for cleaning

VGG-16

## Hot Cases

• Ceramic heat helps maintain proper and safe food temperature

WDC-4/2LP

WDC-5P

• Precision temperature-controlled waterless wells afford versatility for maximum even-heat distribution and extended merchandising

## Combi-Ovens

• More than 195 programmable processes allow for flexible and diverse menu options

CPE

C

CPE 1.06

CPE 1.10 Pass Thru

CPR 1.20 Roll-In

## Electric Pressure Fryers

• **Lid interlock system** adds a measure of safety by preventing the lid from being opened while pressure is in the fryer pot

FKM-FC

LPF-F

• Patented **"Quick-Disconnect"** filter assembly ensures proper filter alignment

## Auto-Lift Fryers

• **Auto-lift mechanism** promotes cooking accuracy and efficient operation

• **Optional microprocessor** offers advanced control technology that enhances cooking capabilities

BLF-FC

ALF-F

• Patented **"Quick-Disconnect"** filter assembly ensures proper filter alignment

## Island Hot Cases

• **Thermostatically-controlled "wedges"** afford **independent zoning** for a wide variety of packaged and prepared foods

BHI-5

## Mobile Merchandisers

• **Waterless deli technology** does not require plumbing, affording limitless flexibility

MM-4

• **Casters** make merchandising easy and hassle-free with extended mobility

## Cook & Hold Ovens

- **Stacked ovens** optimize space, increase volume and versatility

- **Microprocessor time/temperature** ensures accurate cook cycles

GO-36/2

GO-36

## Heated Humidified Cabinets

- **Fully insulated** to enhance energy efficiency while maintaining a **cool exterior surface**

HCSS74W12

HTSS44W6

PHC70-MP17INS

## Surface Warmers

- **Available in full serve and self-serve models**

- **Self-serve models offer easy access for "grab and go" packaged foods**

CSW-4P

SSW-4

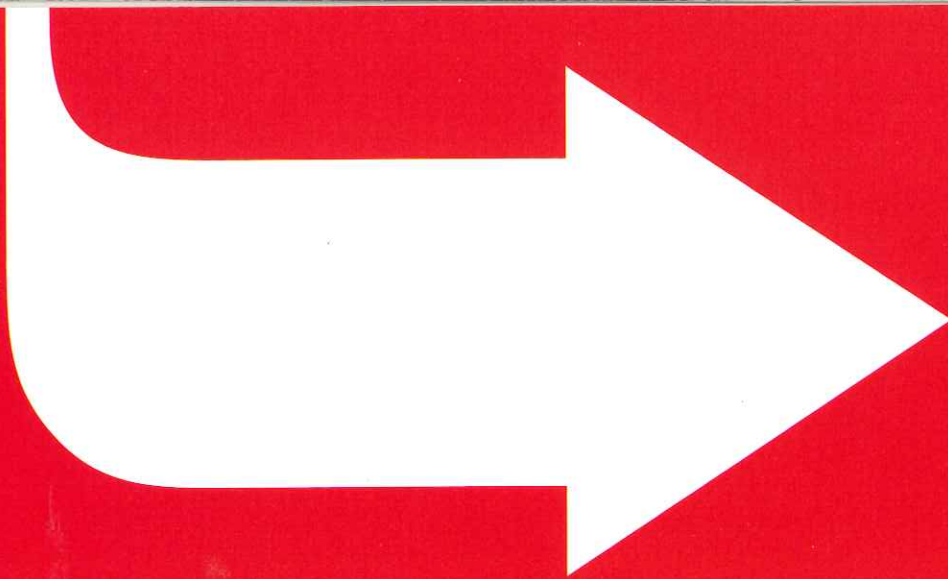

## Ventless Hoods

- **Patented two-stage filtration system** keeps grease-laden particles from returning to the air

- **Signal light** alerts operator to change filter
